The List ranks residential real estate firms by sales in King, Kitsap, Pierce and Snohomish counties. Firms could include each end of a transaction they represented.

Information was obtained from firm representatives and company websites. Information on The List was supplied by individual companies through questionnaires and could not be independently verified by the Puget Sound Business Journal. Only those that responded to our inquiries or had reliable information available elsewhere were listed. Century21 and Redfin did not provide information for consideration on The List. In case of ties, companies are listed alphabetically.

This List was researched and compiled by Research Director Melissa Crowe.
